SUMMER Newsletter 2022

A MESSAGE ... FROM THE PRESIDENT

The Citizens Advice Bureau (CAB) is proud to have successfully continued to operate during the COVID pandemic and the challenging time for the sector.

We are an accredited organisation with the National Accreditation Scheme for Community Legal Centres. Our sought-after services include Information and Referral, low-cost Legal Advice and Mediation Services such as Facilitated Dispute Resolution.

We value the continued funding support from the Western Australian Department of Communities and WA Department of Justice that ensures we deliver quality and timely services to the public.

CAB President Sandra Brown

"It has truly been an honour to oversee this fantastic organisation, with its ten locations throughout WA that continue to effect positive change in the community."

Sandra Brown, President

From the Archives

From the Archives, CAB staff at the old Boans building in Murray Street, 1963.

Thanks to the fabulous efforts of our staff and volunteers, CAB has emerged from COVID times well placed to continue its dedicated work connecting people with information and services to assist them in making informed and independent decisions. Our sector has been no less demanding than previous years with an increase in volunteer movements.

It is very pleasing that CAB consistently produces fantastic customer service satisfaction statistics via the Department of Communities Perception Survey. We assisted over 43,000 people last financial year. Please see page 5 (CAB in the Community) for the results!

We are also very excited for 2023! CAB will be celebrating its 60th-year milestone. This would not be possible without the continued support and commitment of our staff and our volunteers.

We wish you all a safe and happy holiday season and we look forward to seeing you in 2023.

MEET: PERTH'S NEWEST SOLICITOR AJAY

We are proud to introduce our newest team member, solicitor Ajay Sahota.

We sat down with Ajay for a five minute 'get to know you' chat and welcome him to CAB.

Can you describe your working background before joining Perth CAB?

Prior to CAB, I was working in private practice as a Civil and Criminal Law solicitor. Previously, I worked for two Community Legal Centres: one of which was focused on the areas of Criminal Injury Compensation, Family Law and Domestic Violence. The other was focused on the National Disability Insurance Scheme (NDIS), Disability Advocacy, Childcare and Protection, Family Law and Criminal Injury Compensation.

I am also undertaking my Master's of Applied Law in Family Law, Wills and Estates (with a few units to go).

What are you passionate about?

I am passionate about social justice and assisting people who are vulnerable, stressed and facing difficult circumstances. It gives me tremendous satisfaction to know that I have made a positive and meaningful difference in their lives.

What interested you in working for CAB?

I was attracted to the number of legal services CAB provides to the community. It is important to me that everyone has access to justice through the legal system. Also, the inclusive customer provision framework was a value I identified with and that motivated me to join the team.

I am particularly proud to be part of the team providing CAB's services to the public for minimal cost. Empowering people when they face challenges including separation, domestic violence and homelessness and enabling them to make informed decisions, is both satisfying and rewarding.

What do you like to do in your spare time when you're away from the office?

Most weekends you will find me in the backyard doing gardening or at the local dog park playing with my children and my dog.

If you could be anyone in the world for a day, who would it be, why and what would you do for the day?

Our Judges do a tremendous job and if I could be anyone in the world for a day, it would be a Family Court Judge. I would love to attempt to resolve issues that families experience throughout this process.

Spotlight: Mediation Service

The mediation service provides experienced and accredited mediators to facilitate discussions regarding family, community and commercial matters.

We are proud of our team and our dedicated mediators giving their time and expertise to guide our clients towards finding the right solution.

Qualified Family Dispute Resolution Practitioners (FDRP's) on our Panel can also assist families in the challenges that can be experienced under the Family Law Act.

We are continuing to liaise with and foster, long-term working relationships with several local councils:

- City of Vincent
- Town of Cambridge
- City of Kwinana
- City of Joondalup.

We provide their residents with a neutral space to employ our mediation services including neighbourhood issues.

Mediation is an Alternative Dispute Resolution (ADR) method known for its future-focused and time-effective framework. CAB provides access to these services at low cost to the Western Australian community.
